

## BEER FLIGHT

### FIVE - 4oz TASTERS 10

#### THE IMMORTAL *IPA*

A Northwest interpretation of a classic English style, golden copper in color and loaded with New World hop flavor and aroma. Brewed with Pale, Munich, Crystal, and Cara-hell malts. Bittered with Chinook, finished with Amarillo and Centennial hops.

**6.3% ABV | 62 IBU | PINT 6**

#### SPACE DUST *A TOTALLY NEBULAR IPA*

Great Western premium two-row, combined with c-15 and Dextra-Pils, give this beer a bright and galactic Milky Way hue. The hopping is pure starglow energy, with Chinook to bitter and late and dry additions of Citra and Amarillo.

**8.2% ABV | PINT 6.50**

#### DAYGLOW *IPA*

This is a beer with the insistent beat of hops, as driving and inevitable as a Full Moon party in Haad Rin. It drips with tropical, sunshiny Mosaic, and twinkles with touches of El Dorado and Centennial. A touch of wheat hazes the malt bill a bit around the edges, and the IBUs are in the mid-sixties.

**7.4% ABV | PINT 6.50**

#### AVATAR *JASMINE IPA*

Brewed with Pale, 45° Crystal, Munich and Cara-hell malts. Bittered with German Northern Brewer and finished with Glacier and Amarillo hops. Dried jasmine flowers added in the boil and hopback.

**6.3% ABV | 43 IBU | PINT 6**

#### THE WISE *ESB*

Allusive to the goddess Athena, patroness of warriors, weaving and wisdom. Brewed with Pale, Munich, Crystal, Cara-hell and Belgian Special B malts. Bittered with Chinook, finished with Cascade and Centennial hops.

**5.9% ABV | 39 IBU | PINT 6**

#### MEN'S ROOM *ORIGINAL RED*

Brewed for the KISW radio program of the same name, Men's Room is amber in color with a light hop aroma and a toasty malt finish. Brewed with crisp 77 Crystal, Munich, Cara-hell, Cara-red, and Cara- vienne. Bittered with Chinook and finished with Cascade.

**5.6% ABV | 51 IBU | PINT 6**

#### PERSEUS *PORTER*

Named for the slayer of the Gorgon Medusa, and rescuer of Andromeda. Perseus Porter is slightly smoky with Black and Chocolate malts. Bittered with Centennial and finished with German Northern Brewer hops.

**5.4% ABV | 25 IBU | PINT 6**

#### DRAGONSTOOTH *STOUT*

The name is referential to the founders of Thebes, warriors who sprang from the earth when the teeth of a slain dragon were sown by Cadmus. Made with 10% rolled oats, roasted barley, Crystal, Munich and chocolate malts. Bittered with Magnum, finished with Cascade and Centennial hops.

**8.1% ABV | 56 IBU | PINT 6.50**

#### OTHER MINDS *PALE LAGER*

Philosophers have tackled the question of our existence, whether the world exists outside of our own minds. We imagined a malt bill of Pale for simplicity, with Flaked Oats and Flaked Barley for some added body. Experimental hops out of Yakima and South Africa (06297 + XJA2/436) colored our imagined reality with slight bitterness followed by flavors and aromas of tropical fruit, floral notes, and some pungent cattiness. Brain in a vat? Beer in a glass? Whether it exists or not, it's still worth drinking!

**5.96% ABV | 51 IBU | PINT 6**

#### SPLIT SHOT *ESPRESSO MILK STOUT*

Split Shot Espresso Milk Stout brings together the talents of Elysian Brewing and Stumptown Coffee in a deliciously smooth, very Northwest beer. A complex bill of malts hold it all together--Northwest pale, C-15 and C-45 dextrine malts, Franco-Belges kiln coffee malt, Black, Roasted and Chocolate malts and flaked oats. Magnum hops add a touch of bitterness and milk sugar sweetens just a bit. Cold-infused Stumptown coffee provides an invigorating richness.

**5.6% ABV | PINT 6.50**

#### BITTER PATER *TRIPLE IPA*

Brewed for those of us who give zero f#@ks about Valentine's Day. We threw in a bit of all the malts; Pale, Munich, Special B, Triticale, Oat Malt, and some Golden Naked Oats. Only bittered with 2 lbs of Chinook, this picks up most of its bitterness from the late additions of Galaxy and Simcoe. Dry hopped with Galaxy, Centennial, and Idaho 7. Coming in at 10.2% ABV and 100+ IBUs, this beer is sure to satisfy the bitter-pattering of your heart.

**10.2% ABV | 100 IBU | SCHOONER ONLY 6**

#### SUPER LOSER *BARREL AGED LOSER*

Pulled from midday reverie comes Super Loser, a barrel-aged pale ale, redolent of oak, vanilla, and cocoa notes. Street smarter. Still not athletic.

**10.2% ABV | SCHOONER ONLY 7**

#### SUCK IT, TREBEK *SCOTCH ALE*

Scots are a surly bunch, and our favorite has to be Sean Connery. A bit dark, slightly smoky, and oh so malty. Like Sean, this beer starts sweet and finishes dry. We used a brand new base malt from our friends at Skagit Valley Malting, Copeland Dark, as well as Dexpils for body, Peated Alba for smoke, and Roasted Barley for color. Magnum hops to bitter, and Sovereign hops for a bit of fruity flavor and aroma rounds out this beer so nice even Trebek's mother may enjoy it.

**6.2% ABV | PINT 6**

#### KAPPA *IPA*

The obsession is real. Piny, crisp, and a glimpse of honeydew. Idaho 7 pushes through with back up from Eureka, Denali, and Galaxy. .

**6.4% ABV | PINT 6.50**

#### THE FIX *CHOCO COFFEE IMPERIAL STOUT*

Dark, rich, and roasty with Stumptown coffee and aged on cocoa nibs sourced by Theo Chocolate, this stout is complex and full of your favorite dark matter. Beer. Chocolate. Coffee. Whatever your jones, we've got The Fix.

**8.9% ABV | SCHOONER ONLY 6.50**

#### BIFROST *WINTER ALE*

Named for the mythical bridge connecting the mortal world to the heavens. Brewed with pale malt and small amounts of Munich and Crystal malts. Bittered with Magnum and finished with Chinook and Styrian Goldings hops.

**7.6% ABV | PINT 6.50**

#### SNAILBONES *IPA*

Let loose your love darts and give bones to a beer full of grapefruit, peach, guava, and grape.

**8.5% ABV | SCHOONER ONLY 6.50**

#### SALUTE THE SUN *PALE*

Light and crushable pale ale brewed with 2-row barley, malted oats, Munich, and honey malt. Shining with a stupid amount of Citra hops, and conditioned on sun-dried black limes.

**4.7% ABV | PINT 6**

#### ZEPHYRUS *PILSNER*

The gentlest of the sylvan deities, embodied in the western wind which blows across the Elysian Fields. Bittered with German Northern Brewer and finished with Czech Saaz hops. Starting gravity 12.5° Plato (1.050)

**4.7% ABV | 38 IBU | PINT 6**

#### JUST A CLOUD *BELGIAN WIT*

Drift away from the dark and dreary Seattle clouds, and into Just a Cloud Belgian Wit. The grain bill consists of Pils, Pale, Acidulated and Wheat malts, with a big helping of Unmalted Wheat and Rolled Oats. Full of body, and bright and pillowy in appearance. Bittered with Magnum and featuring the spiciness and fruitiness of Saaz hops, Orange Peel and Indian Coriander.

**4.6% ABV | PINT 6**

#### BÊTE BLANCHE *BELGIAN TRIPLE*

A twist on the French expression "Bête Noire". Bête Blanche is extremely drinkable, blonde and somewhat treacherous. Brewed entirely from Pale malt and augmented in the boil with clear Belgian candy sugar. Bittered with German Northern Brewer and finished with Styrian Goldings hops. Fermented with Belgian ale yeast.

**8.4% ABV | 36 IBU | SCHOONER ONLY 6**

## CHILL BILL *TABLE SAISON*

Quiet and unassuming, Chill Bill is more than meets the eye. We used Copeland Pilsner and Vienna malts from our friends at Skagit Valley Malting for a base of slight sweetness and cracker. Bittered with Magnum and a base of flavor and aroma from Mandarinina. What elevates this beer is our first use of an experimental hop out of South Africa, named XJA2/436. This hop, along with the Mandarinina, bring flavors and aroma of Bergamot citrus, candied papaya, slight tobacco, and melon. Fermented with a slightly spicy Belgian yeast to round it all out. No epic quests of revenge here, just don't cross it to be safe.

**5.8% ABV | PINT 6**

## HITMAN *BRETT PALE*

The Hitman Brett Pale comes from a fine pedigree of Elysian Brett beers. Entering the ring with flavors and aromas of pineapple, guava, hay, barnyard funk, and a touch of minerality. This beer spent two years in stainless steel perfecting its signature moves. Definitely a sharpshooter and enjoyed by all (although it hasn't had the best luck in Montreal).

**7.5% ABV | PINT 6**
