

BEER FLIGHT

FIVE - 4oz TASTERS 10

THE IMMORTAL *IPA*

A Northwest interpretation of a classic English style, golden copper in color and loaded with New World hop flavor and aroma. Brewed with Pale, Munich, Crystal and Cara-hell malts. Bittered with Chinook, finished with Amarillo and Centennial hops.

6.3% ABV | 62 IBU | PINT 6

SPACE DUST *A TOTALLY NEBULAR IPA*

Great Western premium two-row, combined with c-15 and Dextra-Pils, give this beer a bright and galactic Milky Way hue. The hopping is pure starglow energy, with Chinook to bitter and late and dry additions of Citra and Amarillo.

8.2% ABV | PINT 6.50

THE WISE *ESB*

Allusive to the goddess Athena, patroness of warriors, weaving and wisdom. Brewed with Pale, Munich, Crystal, Cara-hell and Belgian Special B malts. Bittered with Chinook, finished with Cascade and Centennial hops.

5.9% ABV | 39 IBU | PINT 6

PERSEUS *PORTER*

Named for the slayer of the Gorgon Medusa, and rescuer of Andromeda. Perseus Porter is slightly smoky with Black and Chocolate malts. Bittered with Centennial and finished with German Northern Brewer hops.

5.4% ABV | 25 IBU | PINT 6

DRAGONSTOOTH *STOUT*

The name is referential to the founders of Thebes, warriors who sprang from the earth when the teeth of a slain dragon were sown by Cadmus. Made with 10% rolled oats, roasted barley, Crystal, Munich and chocolate malts. Bittered with Magnum, finished with Cascade and Centennial hops.

8.1% ABV | 56 IBU | PINT 6.50

ZEPHYRUS *PILSNER*

The gentlest of the sylvan deities, embodied in the western wind which blows across the Elysian Fields. Bittered with German Northern Brewer and finished with Czech Saaz hops. Starting gravity 12.5° Plato (1.050), alcohol 3.9% by weight.

4.7% ABV | 38 IBU | PINT 6

THE NOISE *PALE ALE*

This highly drinkable pale ale swaggers with Mandarina Bavaria and Hallertau Blanc hops that tackle your tastebuds with hints of citrus, candied orange, and vanilla. The Noise is as much a home-field advantage as 67,000 voices in a unified roar... plus, all that screaming can make the 12s thirsty. It's loud and proud!

5.1% ABV | PINT 6.50

CHILL BILL *TABLE SAISON*

Quiet and unassuming, Chill Bill is more than meets the eye. We used Copeland Pilsner and Vienna malts from our friends at Skagit Valley Malting for a base of slight sweetness and cracker. Bittered with Magnum and a base of flavor and aroma from Mandarina. What elevates this beer is our first use of an experimental hop out of South Africa, named XJA2/436. This hop, along with the Mandarina, bring flavors and aroma of Bergamot citrus, candied papaya, slight tobacco, and melon. Fermented with a slightly spicy Belgian yeast to round it all out. No epic quests of revenge here, just don't cross it to be safe.

5.8% ABV | PINT 6

GLITTERis *RASPBERRY BLACKBERRY CREAM ALE*

GLITTERis hits the stage with a sparkling base of Premium 2-Row, C-15, and DextraPils malts, alongside flaked corn, and blends with Magnum and Mandarina for a fruit-forward hop character. For extra rainbow flavor, additions of blackberry and raspberry purees were added into the fermenter and at 4.4% ABV, GLITTERis Pride Ale is an equal opportunity beer. Elysian Brewing is proud to be the Official Beer Sponsor of Seattle Pride and a portion of the proceeds from GLITTERis Pride Ale benefit the organization.

4.4% ABV | PINT 6

HYDRA *HEFEWEIZEN*

Named for the multi-headed monster that was the object of Hercules's second labor; this beer was brewed with Pale, Munich & Crystal 45 malts, and more than 50% wheat. Bittered with Northern Brewer and finished with Saaz hops.

5.4% ABV | PINT 6

CAPITOL HILL BEER *PALE ALE*

A beer for the Hill, brewed on the Hill. An almost straight forward, sessionable American Pale with Rye and Oak Smoked Wheat on top of a complex malt base from Skagit Valley Malting. Moderately bittered with Chinook and generously dry hopped with Cascade and Amarillo.

6.6% ABV | PINT 6

DUST IS DEAD *BRETT IPA*

Born of pure experimentation, this undead iteration of Space Dust uses Brettanomyces to create intense bursts of tropical, pineapple, and citrus fruitiness, with phenolic hints of smoke and leather.

9.3% ABV | SCHOONER ONLY 6.50

SAVAGE JOURNEY *RYE IPA*

A new hop recently made its way onto the market, exhibiting the flavor and aromas of barrel-aging. HBC 472. Woody, Bourbon, vanilla, and weird. It pairs well with the malt bill we concocted. Pale, C15, Rolled Oats. And Rye. Flaked and malted. Spicy, earthy, complex Rye. 472 isn't the average IPA hop, but certainly made sense when we added some Enigma to it. Flavors and aromas of raspberry, currant, melon and citrus. Certainly not the average IPA, but why should it be? "Too weird to live, too rare to die." - Hunter S. Thompson

6.8% ABV | PINT 6

SUPERFUZZ *BLOOD ORANGE PALE ALE*

There's a new beer in town--Superfuzz Blood Orange Pale--and he's sticking it to the Man. Superfuzz is a beer you can get behind, with Pale, Munich and Dextra-Pils malts and German Northern Brewer and Cascade hops to bitter and flavor. But it's Citra, Amarillo and blood orange peel and puree that'll really get you on your feet. Never dance? We'll see about that. With a starting gravity of 14°P/1.056, 6.4% ABV and layer on layer of mystical complexity, Superfuzz is shining, streaming, gleaming, flaxen, waxen.

6.4% ABV | PINT 6.50

KAPPA *IPA*

The obsession is real. Piny, crisp, and a glimpse of honeydew. Idaho 7 pushes through with back up from Eureka, Denali, and Galaxy.

6.4% ABV | PINT 6.50

BON TON *YUZU CREAM ALE*

Bittered with Hallertau Magnum and Mandarina Bavaria hops, this cream ale rises to the top with the addition of yuzu juice. A base of Premium 2-row and Dextra Pils malts, with the addition of flaked corn, sets the stage for the fruity, citrusy, tangerine aromas and a mild citrus bite.

4.3% ABV | PINT
