This is a beer with the insistent beat of hops, as driving and inevitable as a Full Moon party in Haad Rin. Once again, the ladies of Elysian took over our Capitol Hill brewery on International Women’s Day — and this year, it involved pom poms (literally). In support of the 2018 Pink Boots Collaboration Brew, we bring you Bitty Bitty Pom Pom! This hoppy pilsner is as tasty and lighthearted as the kissing New Year on it’s pom pom.

**SUPERFUZZ PALEALE**
There’s a new beer in town—Superfuzz Blood Orange Pale— and he’s sticking it to the Man. Superfuzz is a beer you can get behind, with Pale, Munich and Dextrin-Pils malts and German Northern Brewer and Cascade hops to bitter and flavor. But it’s Citra, Amarillo and blood orange peel and pummel that’s really get you on your feet. Never dance? We’ll see about that. With a starting gravity of 14°P/1.056, 6.4% ABV and layer on layer of mystical complexity, Superfuzz is shining, streaming, gleaming, flashing, wakening.
6.4% ABV | PINT 6.50

**FRENETIC BELGIAN IPA**
New hops out of South Africa, Southern Passion and African Queen, excite to us to no end. Our minds raced with the thoughts of passionfruit, dankness, currants, and berry flavors and aromas we’d experience. Pairing these hops with a slightly spicy Belgian yeast and a malt bill consisting of Pale/Vienna/Biscuit/Special III, Frenetic is an IPA that’ll make you go manic as well.
8% ABV | PINT 6

**FUZZSCIRCLE BLOOD ORANGE MILKSHAKE PALE**
When was the last time you ate a creamshack? Rich and delicious vanilla. Bright, citrusy orange. With Fuzzycicle, you can now enjoy your creamshack as the adult way. We used Pale and Munich malts for our base, and Flaked Oats and Flaked barley to increase the body and smooth out the mouthfeel, and Actless was added for essential creaminess. Blood orange peel and concentrate brings all of the citrus from Superfuzz. GBN and Cascade were used to as light bittering hop additions. Then we used massive amounts of Citra, Amarillo, and Mandarina as our late and dry additions to really drive the citrus flavors and aromas home. Vanilla was added in conditioning for that final touch.
6.4% ABV | PINT 6

**NITRO SPLIT SHOT ESPRESSO MILK STOUT**
Split Shot Espresso Milk Stout brings together the talents of Elysian Brewing and Stumptown Coffee in a deliciously smooth, very Northwest beer. A complex bill of malts hold it all together—Northwest pale, C-15 and C-45 dextrine malts, Franco-Belgian kiln coffee malt, Black, Toasted and Chocolate malts and flaked oats. Magnum hops add a touch of bitterness and milk sugar sweetness just a bit. Cold-infused Stumptown coffee provide an invigorating richness. Split Shot will warm and sustain through spring’s cool evenings, and the combination of coffee and stout will deftly keep your attention.

**OTHER MINDS PALE LAGER**
Philosophers have tackled the question of existence, whether our world exists outside of our own minds. We imagined a malt bill of Pale for simplicity, with Flaked Oats and Flaked Barley for some added body. Experimental hops out of Yakima and South Africa (06297 + XJA2/436) colored our imagined reality with slight bitterness followed by flavors and aromas of tropical fruit, floral notes, and some pungent cucubity. Brain in a vat? Beer in a glass? Whether it exists or not, it’s still worth drinking!
5.9% ABV | 51 IBU | PINT 6

**RASPY WHISPER RASPBERRY CHOCOLATE GOSE**
When Airport Way Assistant Brewer Dan Sleeper asked in the raspitel of whippers to brew a beer with raspberry and chocolate, we were in love with the idea. We tenderly laid down a mash bed of White Wheat, Pale, and Acidulated malts. Magnum hops were used to bitter, and Simcoe and Indian Corian added some fruity flavor and aroma. 20# of Raspberry, 5# of Theo Cocoa Nibs, and a touch of Sea Salt finish out what we hope isn’t a one beer stand.
3.8% ABV | PINT 6
